

Rotary District 5010 Leadership Lab

Knowledge for leadership & action

The Leadership Lab will help you make the most of your Rotary membership while you discover the many opportunities for fellowship and service worldwide. You'll also gain skills that will positively impact your professional and personal life.

Who Should Participate?

-  Incoming club officers
-  Past presidents wishing to get involved in Rotary leadership outside the club.
-  Members considering a club leadership position in the future
-  Those that want to learn more about Rotary and its programs, to become involved in our work in locally and globally.
-  Members who wish to enhance their leadership skills for all parts of their lives!

How to Register

- 1** Registration for the Leadership Lab will begin during PELS and continues until May 2025 or as space permits. Enrollment is limited.
- 2** Participants are nominated by their clubs or district leaders or you may "nominate yourself" and be confirmed by your club.
